

What To Do If You Are Injured At FLSC

1. Notify **your** lab supervisor and the Compliance/Technical Services Team Lead (room 416 or 1-6087) or Administrative Team Lead (room 400 or 1-6085). This includes bite wounds and needlesticks.
2. Minor injuries can be treated at the University Health Services Outpatient Clinic at St. Liam Hall (1-7497) for students. Staff and Faculty must report to the Wellness Center at 100 Wellness Center at the corner of Bulla and Wilson (634-9355).
3. Significant injuries or health-related issues can be treated at the St. Joseph Medical Center Emergency Room, 5215 Holy Cross Parkway, Mishawaka (335-5000).
4. If you are inadvertently exposed to hazardous chemicals, biological agents, or radioisotopes, call the Risk Management and Safety Office (1-5037) for advisement.
